

REDLINE CHAMPIONSHIPS

COMPETITION ORIGINALLY SCHEDULED FOR
MARCH 22ND HAS BEEN POSTPONED TO MAY
10TH!

Effective: March 15th, 2020

Redline Cheer and Dance Company, along with the Curtis Culwell Event Center, have made the decision to move the Spring Premier, originally scheduled for Sunday, March 22nd, 2020 to Sunday, May 10th, 2020. The decision was made in an effort to protect our customers and those who might come in contact with our customers in the coming weeks. We are taking the COVID-19 virus situation very seriously and this decision will be the safest step towards protection of the athletes, the families, and the community.

Furthermore, in an effort to provide the cheerleading community something special to end this somewhat chaotic season, we have also made the following decisions for this event:

1. Whether you have attended a Redline event this season or not, we will be having a discount entry fee of \$50 per athlete!
2. Full production lighting!
3. No late fee, you may pay up to 7 days before the event!
4. No crossover fees!
5. FREE action photography for ALL athletes and spectators from www.actionmoments.com
6. Novice teams will be scored, ranked and awarded a placing banner at awards!

7. The event will happen to take place on Mother's Day, so mom's will only pay \$5 admission for the event!
8. School, Rec, Prep, and Elite teams will all take home jackets for winning divisions!
9. 2 coaches per team are completely free!

Q & A:

"What if we registered for the event on March 22nd, do we need to register again for the new date?"

--No, we have all registrations and will move them to the event.

"What if we registered and paid for the event March 22nd, but cannot attend the new date?"

--We have many options. 1. You can pick any remaining Redline event and we can move your teams to that event. You can view events at www.redlinecheer.com. 2. We can refund your entry fees paid minus credit card fees if paid with card. 3. We can hold for a credit for next season and apply unused fees to next season. 4. We can get you registered in any of The Open Championships Series events remaining in 2020.

"What if we are new to Redline and just need one more event to end the season?"

--No problem! This is an open event, no bid required, no previous events required! Just go to our website at www.redlinecheer.com and click on registration. We will take registrations until April 15th, 2020 or until event is full.

"What if we had planned on traveling to a bid event that we won earlier in the season, but now would like to stay closer to home? Will you honor the bid?"

--We would certainly look at the bid in question and see if we could in fact honor it completely! We lowered our entry fee tremendously to help accommodate anyone that would like to attend, but we do understand you worked hard to earn that bid and maybe we can put it to good use!"
